Information about EXIST Women

EXIST-Women is a support programme for women who want to develop their entrepreneurial talents and a start-up idea. The funding includes a three-month scholarship for female students (from the second half of their studies), university graduates and scientists as well as access to the accompanying programme.

You use the scholarship to...

- to develop important cornerstones of the business model
- to take the first steps to validate the founding idea
- Develop scenarios for next development steps

Funding for three months:

- 1.000 to 3.000 € per month (depending on the degree/graduation)
- 150 € child benefit supplement
- up to 2.000 € project expenses

The funding can be combined with a maximum of 20 hours of paid work or other scholarships.

Accompanying programme:

- Instructions for developing ideas
- Workshops and meetings
- Networking and mentoring
